Its flexibility enables you to serve your organization – today, tomorrow, and beyond.

Key benefits

- True fund accounting™ in the cloud
- Improve financial decision making
- Execute with greater precision
- Securely access anytime, anywhere
- Better manage, track, and report finances

With MIP Advance, you get:

A TRUE fund accounting system

A purpose-built tool for organizations, MIP Advance enables your organization and team to stay compliant and work within your preferred controls.

And, as your funding sources grow in complexity and your accounting, human resource management, and payroll change, Abila's MIP Advance is scalable and configurable to change with you.

The ability to tell your financial story with tease and clarity

Robust analytical tools and role-based dashboards help you and your team harness your data, and quickly find, report, and track the information most important to your board, your funders, and you.

Breeze through your audit process and effortlessly meet requirements through advanced audit reporting, fraud deterrence, and alerting. FASB and GASB reporting are built right in.

Worry-free, cloud-based technology

MIP Advance is a fully-integrated, inclusive cloud suite, so your organization will never have to worry about hardware, patch, or upgrade cycles. Maintenance, backups, and iron-clad security are baked into our Abila cloud solution, far surpassing nonprofit industry standards.

With 30-plus years' experience developing purpose-built solutions for nonprofits and government entities, true fund accounting is what we do.

A straightforward customer experience

Customers can easily get answers from our seasoned in-house consultants, as well as Online Chat, Knowledgebase, and Support Center. Users can also share best practices with one another via Online Forums and our User Community.
